Re: United States v. John Bokun
Docket No. CR-12-00036

Dear Judge Vitaliano,

This letter is respectfully submitted to seek permission for my client, John Bokun to travel to North Hampton, New Hampshire. He is driving with his family Thursday July 5, 2012 and arriving back in New York on Monday July 9, 2012. The reason for this trip is that his whole family will be together for a wedding and to celebrate his great aunt's 90th birthday. The Bokum family will be staying with their cousin Lori Sowers at 74 Lovering Road, in North Hampton, New Hampshire.

I have spoken Assistant United States Attorney Christopher Ott who has no objections to our request. And Dennis Khilkevich from Pre-Trial Services who also has no objection to our request for travel.

Thank you for your attention to this matter.

Respectfully Submitted,

Joseph R. Conway, Esq.
